INDEX
JOURNAL OF SPEECH DISORDERS
Volume 8, 1943

Page

Abstracts of Current Articles. Mary Huber---191, 284, 382
Acoustic trauma, prevention and treatment of. George E. Shambaugh 369
American Speech Correction Association
  Annual directory --- 63
  Constitution and by-laws --- 53
  Convention program --- 321
  Membership regulations --- 41
ASCA news and announcements. Ernest H. Henrikson---183, 214, 322
Aphasia, modern approach in study of. G. K. Yacorzynski --- 349
Articulation
  During first year of life --- 109
  Measurement of defective --- 123
  Misarticulation in spastic paralytic --- 137
Articulation, a phonographic scale for the measurement of defective. Curry, Robert, Kennedy, Lou, Wagner, Loretta and Wilke, Walter 123
Audiometric testing and hearing conservation in the public schools. Horace Newhart --- 237
Bibliography
  Articles relating to laryngeal paralyses. Charles R. Strother---146, 154, 186, 204
  Hearing and deafness --- 254
  Speech-Reading --- 269
  Speech disorders in time of war --- 198
Book Reviews
  Holmes, F. Lincoln: *Training the Speaking Voice*, by C. R. Van Dusen --- 196
  Shulman, Edward E.: *Speech in Education*, by Ollie L. Backus 389
  Van Riper, Charles: *Stuttering: Significant Theories and Therapies*, by Eugene F. Hahn --- 390
  Van Riper, C. R.: *The Disorders of Speech*, by John Wyllie --- 195
Bunch, Cordia C. Clarence T. Simon --- 3
Bunch, Cordia C. (Dr.): Portrait and memorial resolution---2, 3
Cardiovascular and metabolic study of stutterers and non-stutterers. C. H. Ritzman --- 161
Carhart, Raymond. Hearing deficiencies and speech problems --- 247
Carhart, Raymond (Chairman). Report of Committee on Emergency Defense, by The Committee --- 27
Carhart, Raymond. Some notes on official statistics of speech disorders encountered during World War I --- 97
Carhart, Raymond and Peterson. Gordon. Selected bibliography on hearing and deafness --- 254
Cerebral palsy
  Diadokokinesis in --- 137
  Effects of environmental pressures --- 155
  Misarticulation and diadokokinesis in the spastic paralytic. Harry J. Heltman and Georgiana Peacher --- 137
  Spastic situation --- 147
  (See Froeschels, Emil)
Chen, Han Piao (see Irwin, Orvis C.)
Cinematographic technique for testing visual speech comprehension. Marie Katherine Mason --- 271
Committee on Conservation of Hearing of the American Academy of Ophthalmology and Otolaryngology, Program for. Dean M. Lierle 243

	Page
Committee on Rehabilitation. Report on emergency defense	27
Constitution and by-laws, American Speech Correction Association	53
Curry, Robert, Kennedy, Lou, Wagner, Loretta and Wilke, Walter. A phonographic scale for the measurement of defective articulation	123
Diadochokinesis in stutterers and non-stutterers. Charles R. Strother and Lois Smason Kriegman	323
Diadokokinesis	
In cerebral palsy	137
In stuttering	323
Directory, American Speech Correction Association, 1943	63
Dysarthria in cases involving cerebral lesions. Emil Froeschels	301
Editorial Notes	4, 26, 52, 62, 122, 136
Effects of noise and concussion on hearing. H. B. Perlman	289
Formal call for papers. Program Committee	108
Froeschels, Emil. A contribution to the pathology and therapy of dysarthria due to certain cerebral lesions	301
Froeschels, Emil (see Hawk, Sara Stinchfield)	
Gardner, Warren H. History and present status of the education of the hard of hearing	227
Goldstein, Max A. (Dr.)	
Biographical summary	212
Memorial resolutions, ASCA	205
Portrait	206
Publications	212
The man and his work	207
Group-testing of hearing. Robert West	279
Grove, W. E. The effect of head injury on hearing	363
Hall, Margaret (see Hawk, Sara Stinchfield)	
Harrison, C. E. (see Senturia, B. H.)	
Hawk, Sara Stinchfield, Froeschels, Emil, Hall, Margaret and Pfaff, Paul. Selected bibliography from current books and periodicals on speech disorders in time of war	198
Head injury on hearing, Effect of. W. E. Grove	363
Hearing	
Acoustic trauma	369
Aid clinic	215
Conservation of and audiometric testing in the public schools	237
Conservation of, the American Academy of Ophthalmology and Otolaryngology	243
Deficiencies and speech problems in	247
Education of hard of hearing	227
Effects of head injury	363
Effects of noise and concussion	289
Group-testing	279
High frequency deafness and discrimination of high frequency consonants	373
Hearing aid clinic. B. H. Senturia, S. R. Silverman and C. E. Harrison	215
Hearing deficiencies and speech problems. Raymond Carhart	247
Heltman, Harry J. and Peacher, Georgiana. Misarticulation and diadokokinesis in the spastic paralytic	137
Henrikson, Ernest H. A note on voice recordings	133
Henrikson, Ernest H. ASCA News and Announcements	183, 214, 322
Henry, L. Dell. The physician and the speech correctionist	9
High frequency deafness and discrimination of high frequency consonants. Robert N. Plummer	373
History and present status of the education of the hard of hearing. Warren H. Gardner	227
